ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 24 January 1978

*End Miss.*

2. (Unclassified - HMS) LIAISON Per Edward Sherman's, OLC, request, I sent Dan Childs, Senate Select Committee on Intelligence staff, copies of briefing charts and information on [redacted] service.

3. [redacted] LEGISLATION Spoke with John Elliff, on the staff of the Senate Select Committee on Intelligence, to confirm our meeting for 25 January to discuss the SSCI draft Title II of the charter legislation. Mr. Elliff informed me of a few corrections to the draft Title II. He also indicated that the SSCI hearings scheduled for today on S. 1566, the electronic surveillance legislation, had been postponed until 3 February.

4. [redacted] LIAISON In the absence of George Cary and [redacted] took a call from Ron Tammien, Legislative Assistant to Senator William Proxmire (D., Wis.), who said they were going into their hearing within the next fifteen minutes and needed to know if we had information that [redacted] I checked with [redacted] DDO, who confirmed that we had a statement in a bio sketch to this effect but we had not been able to retrieve any source corroboration of that statement. I indicated that we had provided that information but asked that he impress upon Senator Proxmire that we do not want this information attributed to CIA and that as a professional I would be wary of using this information in a line of question until it can be corroborated. (See OLC Spot Report, dated 24 January 1978.)
